The Westgate School Uniform Policy

Principles

At The Westgate School we pride ourselves in a strong sense of community in which all pupils have a sense of belonging. Our uniform is a fundamental part of this ethos: it represents the principle that every pupil matters equally, and nobody is privileged above another. Our expectations and aspirations of every pupil is high, and we expect that pupils will treat one another with respect, kindness, equality and dignity. School uniform is symbolic of this belief. Adults in school are also required to follow a dress-code that is fit for purpose in our school.

Purchasing Uniform

Parents can purchase school uniform from either of our two suppliers (necessary for standard items) as well as through our PSA. Some of our suppliers offer purchasing schemes and significant discounts on specified items for pupils who are in receipt of Free School Meals. The school also has a hardship fund to support families where finances may be stretched - please contact the school office if you would like to discuss the possibility of support.

Items of uniform which are generic can of course be purchased from high street stores or online: we do however ask that parents ensure their child's clothing is consistent with the expectations set out in the uniform specification.

The school is committed to providing at least two suppliers of specified items and will on an annual basis, review costs to ensure that best value is achieved and that a range of suppliers have been explored.

The PSA runs a uniform shop from which parents can purchase good quality, second-hand uniform. Please see our website and school communications for further details.

Expectations

The Westgate School is proud of its pupils and believes that the uniform should reflect the high standards of our learning community. Consequently, all pupils

attending The Westgate School are required to wear the correct uniform (including to and from school) without exception or negotiation.

Variations

We are proud of our supportive culture that enables us to work in partnership with pupils and parents/carers in order to consider individual needs. If you would like to discuss this, please do not hesitate to contact your child's Year Leader.
