BEST VALUE STATEMENT

The Westgate School intends that Best Value Principles should be applied to all matters within the School where resources management and allocation are considered. These principles are:

- Compare
- Challenge
- Compete
- Consult

Compare

The use of target setting, performance management and benchmarking is informed by the use of data available to the school and to individual staff. The use of published data, both academic and financial, are reported by the school to governors through committee meetings and the Headteacher's reports. The use of soft data and the results of questionnaires inform judgements concerning the school's performance in relation to other schools, locally and nationally.

Challenge

Information gained is used to set targets and to inform improvement planning. Targets are set giving a realistic but challenging set of goals for pupils and staff. For purchases, greater than £1k and less than £177k and where there is no suitable framework available, 3 quotations are sought. Monitoring of this process forms part of termly visits by Resources Committee representatives.

Compete

The Local Authority maintains a list of suppliers of goods and services, setting out specifications for minimum standards and health and safety issues. The school follows Local Authority best practice procurement guidance ensuring clear specifications for development and purchases. Power is delegated to the Headteacher with regard to day to day management to implement expenditure related to the School Improvement Plan.

For major building works, Hampshire County Council oversees any projects. Catering contracts are tendered through Hampshire County Council.

Consult

We consult parents and colleagues directly where relevant. Parents' views are sought through Parent Governors.

Rotherly Day Nursery variations:

School finance conducts annual marketing research to compare specific criteria of other local nurseries with Rotherly Day Nursery, this is reported by the Headteacher to Governors through committee meetings.
