**Year 3 Transition Booklet 2023-2024**

## Information for Parents and Carers

We hope you enjoy sharing this transition book with your child as you prepare for Year 3. We have included areas in the book that the children sometimes have questions about e.g., the toilets and where we come into school.

We are very much looking forward to working in partnership with you. Please contact us if you or your child have any queries.

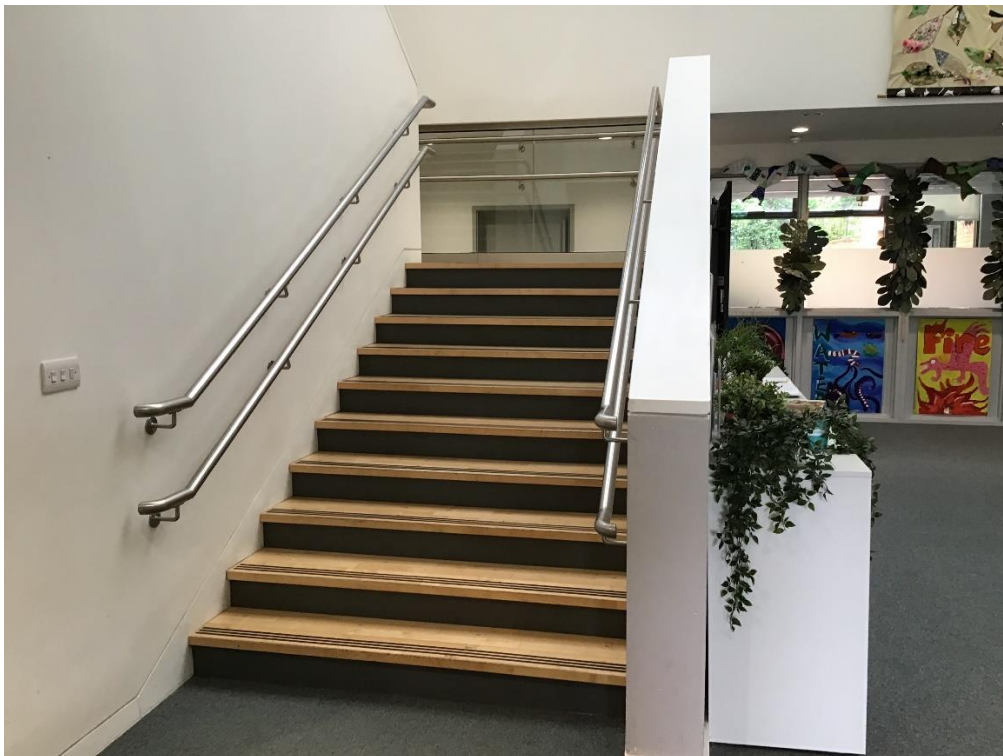

We are looking forward to you joining Year 3.  
These are the adults who will be working with  
you in Year 3.

I will walk into school through these doors and go up the stairs, walking straight to my classroom.

At the end of the day I walk down the stairs and go through the reception doors. I will wait by the doors with my teacher until we see the adult picking me up.

These are the toilets I can use.

These are my Year 3 classrooms.

In Year 3, I will still have a playtime in the morning. If my grown-ups want me to have milk and fruit, I can have a cup of fresh milk and a piece of fruit at playtime.

I will have lunch with my class in the hall.

I can have a packed lunch from school or bring one from home. Sweets and chocolate will be a treat for home - we will not have sweets and chocolate at school.

After lunch I will go to the playground.

This is what I will need every day:

- Coat
- Book bag
- Water bottle

We are looking forward to seeing you in September. Please remember that most things stay the same and we will still have lots of fun and learn many new, exciting things 😊
