3. Is there anything we did not cover that you hoped we would have?

1. All good!
2. No, that was great thank you
3. No all seems to be well covered
4. How does the school support those children with SEN with finding work experience? I.e. ASD and severe anxiety.
5. No - My child has already decided and applied to the college that they want to attend. But thanks - good to know we haven't missed anything.
6. I think you covered it all
7. No - it covered all the areas that I had queries in.
8. No. Very informative session. Thank you.
9. No, thank you very much
10. Military Options (if there are any at age 16)
11. It would have been good to know if the government's plans to scrap the B-Tech is going to affect us. Our son is hoping to do a C-Tech (equivalent to 2 A-levels), plus an A-Level, but if B-Tech and C-Tech are being scrapped we will need to rethink!
12. No - it was very informative, thanks
13. Application for college deadlines.
14. Sorry I missed the earlier part of the Deck is the session recorded and available to re-watch?
15. actual details about what a college day might be like in terms of a levels e.g. timings and lessons
16. More info about choosing which subjects to choose for your next step. Keeping your options open etc
The deadlines for National Citizenship or Work Experience seem to conflict each other. Can they do both? Should they do both?
thank you
17. Bit more detail regarding work experience. Places available and how to sort out.
18. Advice on applying to the sixth form colleges i.e. whether to do it asap or wait until after all the careers talks at school.
19. No, it was all very good
20. How to apply for college / what's involved. Eg what's needed re personal statements and how influential they are etc
21. I did not hear the date they need to apply for their further educations. Thanks.
